#### **Committees:**

##### Land Trust/Access:

Bryan reported that the location of one boundary line for the trust land is in question. Bryan will address the question when he visits in November.

Roy handed out a farm transition project course flyer (attached to this email) that will be used to publicize the course. A deposit of \$600 was made for half the cost of using the arboretum. Megan will post a press release on Monday. Still under discussion is the question – do we only invite local people or open up to the whole state? We are looking for a couple willing to serve as hosts at the arboretum.

##### Local Foods:

Brent is planning a farmers market vendor appreciation event at his farm.

##### Education:

No report.

The next meeting will be on November 25<sup>th</sup>. There will not be a meeting in December.

Motion to adjourn meeting by Brent and seconded by Philip, passed unanimously.

Respectfully submitted by Dennis Jurkovich, Secretary
